AUCTION ITEMS NEEDED!

To ensure that this fundraiser is a big success, we will need club members to provide auction items. Of course, significant auction donations are welcome but lesser items are very important. Having a wide variety of auction items will ensure that we have something of interest for everyone in attendance.

Participation by all club members will be important but to really make a positive financial impact on our club, we will need outsiders to be involved. The involvement of friends, neighbors, co-workers and relatives not only represents new sources of financial support but it also raises the community's awareness of the Cascade Swim Club, our swimmers, and the sport of swimming.

Remember, four tickets per swimmer have been pre-paid as part of the registration fee so bring some friends and make this a great night out.

I thank you, in advance, for your support and participation in these events.
